Any balance remaining will be returned to Tenant, together with an accounting of any disbursements, no later than 30 days after termination or earlier if required by law. No interest will be paid to Tenant on account of the security deposit, unless required by local ordinance.

No such holding over shall constitute any form of tenancy, but will be considered unlawful possession, and we may exercise any right or remedy available under this Agreement or the law to recover possession of the premises and damages from you.

22. TIME. Time is of the essence of this Agreement.

23. ATTORNEY'S FEES. In any action or proceeding involving a dispute between Tenant and Owner arising out of the execution of this Agreement, whether for tort or for breach of contract, and whether or not brought to trial or final judgment, the prevailing party will be entitled to receive from the other party a reasonable attorney fee, expert witness fees, and costs to be determined by the court or arbitrator(s). In the event that Owner is required to employ an attorney to enforce the terms and conditions of this agreement or to recover possession of the premises from Tenant, Tenant hereby waives a jury trial and establishes Boone County, Missouri, as the venue for all court proceedings.

24. SUBROGATION. To the maximum extent permitted by insurance policies which may be owned by the parties, Owner and Tenant waive any and all rights of subrogation against each other which might otherwise exist.

25. FAIR HOUSING. Owner and Tenant understand that the state and federal housing laws prohibit discrimination in the sale, rental, appraisal, financing or advertising of housing on the basis of race, color, religion, sex, sexual orientation, marital status, national origin, ancestry, familiar status, source of income, age, mental or physical disability.

You agree to comply with all Rules and Regulations attached to this Agreement, as such Rules and Regulations may be amended from time to time by us ("Rules and Regulation"). These Rules and Regulation are incorporated in this Agreement and are a part of the Agreement just as if they were written on this page. Any reasonable alterations, additions, and modifications to such Rules and Regulations that we may make from time to time shall likewise be considered a part of this Agreement with the same force and effect as through written herein.

This Agreement and any modifications, including any photocopy or facsimile, may be signed in one or more counterparts, each of which will be deemed an original and all of which taken together will constitute one and the same instrument.

Tenant Initials [_____] [_____] [_____] [_____]

BED BUG ADDENDUM

You agree that you have read the information in this addendum about bed bugs and you are not aware of any infestations or presence of bed bugs in your current or previous apartments, home or apartment. You agree that you are not aware of any bed bug infestation or presence in any of your furniture, clothing, personal property or possessions. You agree that you have not been subjected to conditions in which there was any bed bug infestation or presence.

You must allow us and our pest control agent's access to the apartment at reasonable times to inspect for or treat bed bugs as allowed by law. You and your family members, occupants, guests, and invitees must cooperate and will not interfere with inspections or treatments. We have the right to select any licensed pest control professional to treat the apartment and building. We can select the method of treating the apartment, building and common areas for bed bugs. We can also inspect and treat adjacent or neighboring apartments to the infestation even if those apartments are not the source or cause of the known infestation. You are responsible for and must, at your own expense, have your own personal property, furniture, clothing and possessions treated according to accepted treatment methods established by a licensed pest control firm that we approve. You must do so as close as possible to the time we treated the apartment. If you fail to do so, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract. You agree not to treat the apartment for a bed bug infestation on your own.

You must promptly notify us of any known or suspected bed bug infestation or presence in the apartment, or in any of your clothing, furniture or personal property. You must promptly notify us of any recurring or unexplained bites, stings, irritations, or sores of the skin or body which you believe is caused by bed bugs, or by any condition or pest you believe is in the apartment. You must promptly notify us if you discover any condition or evidence that might indicate the presence or infestation of bed bugs, or of any confirmation of bed bug presence by a licensed pest control professional or other authoritative source.

If we confirm the presence or infestation of bed bugs, you must cooperate and coordinate with us and our pest control agents to treat and eliminate bed bugs. You must follow all directions from us and our pest control agents to clean and treat the apartment and the building that are infested. You must remove or destroy personal property that cannot be treated or cleaned as close as possible to the time that we treated the apartment. Any items you remove from the apartment must be disposed of off-site and not in the property's trash receptacles. If we confirm the presence or infestation of bed bugs in your apartment, we have the right to require you to temporarily vacate the apartment and remove all furniture, clothing and personal belongings in order for us to perform pest control services. If you fail to cooperate with us, you will be in default, and we will the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract.

You may be required to pay all reasonable costs of cleaning and pest control treatments incurred by us to treat your apartment unit for bed bugs. If we confirm the presence or infestation of bed bugs after you vacate your apartment, you may be responsible for the cost of cleaning and pest control treatments. If we must move other residents in order to treat adjoining or neighboring apartments to your apartment unit, you may be liable for payment of any lost rental income and other expenses incurred by us to relocate the neighboring residents and to clean and perform pest control treatments to eradicate infestations in other apartments. If you fail to pay us for any costs you are liable for, you will be in default, and we will have the right to terminate your right of occupancy and exercise all rights and remedies under the Lease Contract, and obtain immediate possession of the apartment. If you fail to move out after your right of occupancy has been terminated, you will be liable for holdover rent under the Lease Contract.

You agree you will not bring used furniture from unknown sources into your apartment. Countless bed bug infestations have stemmed directly from the introduction into a resident's unit of second-hand and abandoned furniture. Unless the determination can be made with absolute certainty that a piece of second-hand furniture is bed bug-free, residents should assume that the reason a seemingly nice looking leather couch, for example, is sitting curbside, waiting to be hauled off to the landfill, may very well be due to the fact that it's teeming with bed bugs.

You agree to address bed bug sightings immediately. Rental housing residents who suspect the presence of bed bugs in their unit must immediately notify the owner.

You agree not to attempt to treat bed bug infestations. Under no circumstance should you attempt to eradicate bed bugs. Health hazards associated with the misapplication of traditional and non-traditional, chemical-based insecticides and pesticides poses too great a risk to you and your neighbors.

You agree to comply with eradication protocol. If the determination is made that your unit is indeed playing host to bed bugs, you must comply with the bed bug eradication protocol set forth by both your owner and their designated pest management company.
